

A Prayer for Passover in the Era of COVID-19

Source of Blessing:

Our lives are in turmoil
our hearts heavy
help us to cope
with this modern plague
we are worried for our families,
we are concerned for our communities,
our world is on the brink.

Bless us with strength.

Source of Mercy:

We pray for courage
to stay strong
for those in our care,
and for ourselves.

to act in loving ways
to keep our communities safe.
